This document is intended for use by individuals who are familiar with investment terminology. Please contact your financial adviser if you need an explanation of the terms used.

The SL JP Morgan Growth Pension Fund invests primarily in the JPMLAL Growth. The aim of the JPMLAL Growth is summarised below.

To invest in UK and overseas equities, either directly or through other funds. The Fund seeks to achieve excess return through stock selection, country allocation, and currency exposure. The Fund is well diversified and, under normal circumstances, is fully invested, with cash holdings kept to a minimum.

The value of any investment can fall as well as rise and is not guaranteed – you may get back less than you pay in.

For further information on the JPMLAL Growth, please refer to the fund manager fact sheet, link provided below.
