<sup>†</sup> FE Crown Fund Ratings is a quantitative based ratings system founded on historical performance, volatility and consistency. Funds are ranked against a relative benchmark chosen by FE with the lowest-rated funds carrying a single crown, and the highest awarded five crowns. Funds without a three-year track record are not rated. However, in some cases a rating is applied to funds whose underlying fund carries a three-year track record. FE Crown Ratings are produced solely by FE and its accuracy or completeness cannot be guaranteed.

This factsheet is for information only and is written assuming you are familiar with investment terminology. It has been provided to help you understand how the fund is invested and performing. It should not be used for making investment decisions. Please contact your relevant financial professional for further explanation or advice if you want to know if this fund is, or remains, appropriate for you.
