

## Fund Factsheet | June 2010

## Personal Investment Plan (Life)

This document is provided for the purpose of information only. This factsheet is intended for individuals who are familiar with investment terminology. Please contact your financial adviser if you need an explanation of the terms used. This material should not be relied upon as including sufficient information to support an investment decision. The data on this factsheet is updated on a quarterly basis.

All information is as at 30 June 2010, unless otherwise stated.

## Fund Aim

The aim of the Balanced Growth OEIC Fund that this Life fund invests into is:

To provide long-term capital growth mainly through investment in collective investment schemes.

The Fund aims to provide exposure to a combination of equities (which may include UK, overseas and emerging markets), bonds (this may include UK Government bonds, index-linked securities, other UK fixed interest securities, overseas bonds and high yield bonds) and property (which can be both in the UK and overseas).

The Fund may also provide exposure to commodities and other alternative assets such as derivatives. In addition the Fund has the power to invest in other asset classes permitted by FSA rules.
